Good Evening
Little Folk,
I am
Tommy Claus
Santa Claus's
Little Brother

Coming to meet you this next Saturday in McCreery Toyville. I've always lived and worked with Santa up in the Northland; but now, that I've grown up, he's asked me to come down to McCreery's to get everything ready for this coming Christmas Eve. You see, Santa's mighty busy making all the things you boys and girls want, and getting them ready to take with him. So if there's anything you'd like to have, write or tell me and I'll let him know right away. Perhaps you'd like to see some of the toys I've sent ahead to McCreery's. For instance.

From the Northland I have brought
A little dolly Santa taught,
To go to sleep when down she lies,
And awaken when it's time to rise.

This little dolly is all dressed, ready to go with you. 1.25
